

As desired by Hon'ble the Chief Justice and Judges directions issued previously vide this court's letters under reference, are reiterated to the following effect:-

- i) Cases, both civil and criminal, for evidence and arguments be fixed for five days in a week, namely, Monday to Friday.
- ii) Miscellaneous matters like Executions, stay, injunction etc. and matters like Sapurdari, return of case property etc. be fixed for and be heard on Saturdays only. However, if the Court considers that such matters cannot wait for disposal till Saturday, it may take up such matters on other working days as well. It is made clear that miscellaneous matters requiring immediate order, ex parte or otherwise, should be entertained by the Court on days other than Saturdays as well.
- iii) Further where the argument or the evidence in a particular case, does not conclude by Friday or the working day immediately preceding the Saturday, the evidence or arguments in that case be continued or concluded on the following Saturday as well.
- iv) In case, the counsel for the parties so desire and the Court so agrees, it may take up regular cases also on Saturday.
